ATVs and ROVs can be hazardous to operate. For your safety always wear a helmet, eye protection, and protective clothing. Never ride on paved surfaces or public roads. Never carry a passenger on a single-rider ATV; never engage in stunt driving; riding and alcohol/drugs don't mix and could cause injury or even death. Avoid excessive speeds and be particularly careful on difficult terrain. **Only ride an ATV that is right for your age. Supervise riders younger than 16.** Always wear a seat belt on ROVs. Never carry a passenger in the cargo box; the passenger must be able to place both feet on the floor while keeping their back against the back of the seat. Arctic Cat recommends that all riders take a training course, and that they read and understand their operator's manual before operation. Along with concerned conservationists everywhere, Arctic Cat urges you to "Tread Lightly" on public and private lands. Ride only on designated areas or trails. Preserve your future riding opportunities by showing respect for the environment, local laws, and the rights of others when riding. For safety or training information in the U.S., call the ATV Safety Institute at (800) 887-2887. In Canada, call the Canada Safety Council (613-739-1535) or see your dealer. Do not shoot from or lean firearms or bows against the ATV or ROV. Advantage™ and Timber™ are trademarks of Advantage Camouflage, Inc. 2010 SIDE BY SIDE

XTX 700 HI

The Prowler® XTX is for those who can't be locked up inside. Hunters. Fishermen. Deep woodsmen. If the outdoors is what you're all about, then the XTX has a seat or two waiting for you.

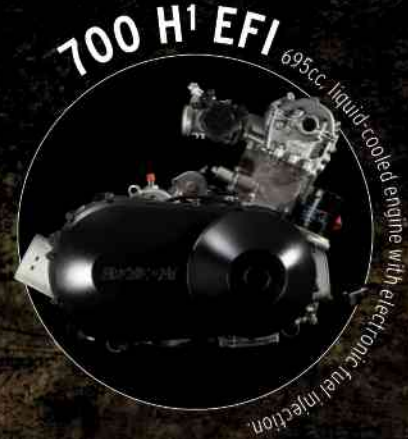

Features

- Duramatic™ automatic transmission
- Fully independent suspension
- 10" ground clearance
- Tilting rear cargo box
- Underhood front cargo space
- Aluminum rims (Steel Blue)
- Duro Red Eagle tires
- Digital/Analog gauge
- 2" receiver hitch front & back
- Tilt steering
- Turf Saver rear differential

STORAGE (Rear Cargo Box)

The rear cargo box is built with a durable composite construction with a 600-lb. payload. And when you're ready to unload, just hit the lever, lift and dump.

700 HI EFI 695cc liquid-cooled engine with electronic fuel injection

DIGITAL/ANALOG GAUGE

Displays up to 14 critical information indicators including speedometer, tachometer, clock, hour meter, fuel level, mode button, odometer, tripmeter, gear position, differential lock, high beam, battery condition, temperature and oil pressure.

BUCKET SEATS

Comfortable bucket seats with new center console allow you easy access to the accessory outlets and cup holders.

The Prowler XT 550. With this machine, it's all about getting out and declaring the great outdoors as your very own. Big engine. Big ground clearance. And a big desire to take on the world. Or at least the woods up by your uncle's cabin.

Features

- Duramatic automatic transmission
- Fully independent suspension
- 10" ground clearance
- Tilting rear cargo box
- Underhood front cargo space
- Aluminum rims
- Duro Red Eagle tires
- Digital/Analog gauge
- 2" receiver hitch front & back

DURAMATIC AUTOMATIC TRANSMISSION

This durable automatic transmission is made of a centrifugal clutch with primary and driven belt clutches. Constant belt engagement reduces belt wear and extends belt life, as well as providing true engine braking. Bulletproof and reliable, this transmission can go thousands of miles without maintenance.

FRONT CARGO SPACE

Plenty of room for smaller things you'll need to bring on your weekend adventure.

TURF SAVER REAR DIFFERENTIAL

Allows rear wheels to rotate independently in sharp turns. Keeps wheels from digging into the ground. Friendly to nicely groomed yards. (XTX ONLY)

XTX 700 HI EFI
Advantage® Timber Camo

XTX 700 HI EFI
Steel Blue Paint

FULLY INDEPENDENT SUSPENSION

With 10" of travel, the fully independent suspension enhances traction by providing full tire contact with the ground. Double A-arms provide strength and stability over any kind of terrain. Performance-minded shocks eat up all the bumps the trail has to offer.
